## PAY WHEN Cured

You can arrange to take our treatment and pay when cured  
**\$3.50 to \$12.50**  
is Our Fee in Uncomplicated Cases

This proposition is made for the benefit of those thousands of sufferers who have taken medicine or treatment for months and years without benefit and who have about despaired of ever being cured, also to demonstrate to the public that we have confidence in our ability to cure any curable case. No other doctor in the state will make you such a proposition. If you take pride in your health and want to be well you can't afford to pass this up. It will cost you nothing to find out if you are curable, for we give free consultation to all who call.

IS THIS THE WAY YOU FEEL?

There is usually a pain across the small of your back; blue rings under your eyes; specks before your eyes; your sleep does not rest you; you get up in the morning feeling tired; your mind at times wanders; your memory is poor; you are losing flesh, hollow eyed; whites of your eyes are yellow; you are fearful, always expecting the worst to happen; very nervous; you start from your sleep and awake from a dream very much frightened; stinging pains in the breast; no appetite. Do you know what causes you to feel like this? This condition will not improve on its own accord, but instead you will grow gradually worse and eventually end in nervous debility or neurasthenia. If you have ever taken treatment and failed to get cured perhaps it is because you never took treatment from us, for we cure many, many cases where others fail. Consult us.

In the treatment of Blood Poison we use the latest improved German Cure—914, which causes every visible symptom to disappear in from 5 to 10 days. In the treatment of Kidney, Bladder, Prostatic and Rectal Diseases we have a method that renders the use of the knife obsolete. No loss of blood or time, no pain, results quick, safe, sure and permanent as thousands of our patients will tell you. We simply want the opportunity of showing every sufferer that we can give him new hope and restore him to health, strength and vigor if it is possible to do so. We know that everyone will gladly pay our small fee after we have cured them.
